FYI

Barbara - Assuming you make it out of the west conference room, can you take a look at C and let Gary know any concerns. Thanks

Kevin

Lydia and Larry -

Site team met this afternoon and believes alternative C is a viable alternative. Susan Roddy believes this addresses all of her concerns and 6RC has not offered their opinion yet because Barbara was tied up with another Site. Please review alternative C, first one below, and provide comments to Gary and myself so we can meet Wren's request of a revision by Thursday evening.

Thank you!
Kevin
